EDUCATION – the base for further intelligence development and advancement

Education forms the base for further intelligence development and advancement, but like a spaceship, the firing power is merely to launch and propel the craft. For a successful mission, a host of other devices and human interactions, commitments and decisions need to be considered.

It is increasingly recognised that greater dynamism and inclusiveness of all contributing factors are essential for a healthy and successful education system.

If recent events and developments have taught us anything, it is that the individual entities which make up the education system do not live in splendid isolation, and that stakeholders' co-operation instability can come about from a host of factors, social, cultural and political.

If the current education scenario of our country continues, the hope of developing a vast resource of intelligentsia will be dim.

It is definitely time for all the stakeholders in the education system to put in a concerted and honest attempt to make all the radical changes for the better and for the future of all our children, grand children and great grand children.

The Poor Student Tuition Program of Ci Hang, in its microscopic ways have shown that in schools where there is a lack of participation or commitment from some or all of the stakeholders, the results are far from being desirable.

We have witnessed several classes struggling to continue with the required attendance and two others have just simply waned away.

With schools where the headmasters/headmistresses, the teachers and the PIBG members (Persatuan Ibu Bapa dan Guru) are cohesively involved, the attendances are extremely encouraging. Furthermore, these schools have shown impressive improvements in the subjects taught in the tuition classes.

Ci Hang and its Poor Student Tuition Program Facilitators are also stakeholders in this program. Thus, we are constantly monitoring the progresses of the classes and also make radical and sound decisions to ensure that the schools and its students are always in a winnable position.

Students from Standard 4, 5, 6 of SJK (C) Kampong Baru Bemityik.

ADOPT A SCHOOL

It is our desire to extend the Poor Student Tuition Program to more schools and to a wider area. However, we are fully aware that our financial resources are not only limited, but they are shared by several other welfare programs that we have implemented, namely caring of abandoned old folks, assisting poor individuals and families, stroke patients and others who seek us out for some form of assistance.

We firmly believe that some of our members and donors may have the financial resources to adopt a school and pay for the expenses involved in the Poor Student Tuition Program.

The adoption can be for a year or several years, a choice you make when you signed on for the program. The adoption can be from an individual, a group of individuals, a company or organization.

We will make available to you several schools that we have qualified and the financial commitments therein. You make the decision with regards to the school.

However, the operation of the tuition classes and the subjects taught will be the responsibility of the schools and Ci Hang facilitators.

You will be invited to attending the initialisation of the class and to meet the PIBG, teachers and students.

Please contact the following persons if you are interested in the adoption program:-

教育 - 智能开展及提升的基础

教育是智能开展及提升的基础，但是就像太空梭，燃料只是发射和推进了太空梭。一个成功的任务，需要考虑许多零件及人类的互动，以及承诺和决定。

越来越多的认知既影响因素越大的活力和包容性，对于一个健全和成功的教育系统尤其重要。

如果最近的事件和发展有教会我们一些什么，那就是组成教育系统的个体并不是孤立存在的，以及利益相关者合作上的不稳定性可以来自许多因素，包括社会的、文化的以及政治的。

如果现有的教育现象继续在我国发生，有关发展大量知识分子的希望将会非常微弱。

因此，时间已经刻不容缓，所有教育系统的利益相关者必须投入一致及真诚的努力，以期为我们的孩子，孙子以及曾孙子的未来带来更好的改革。

慈航推动的贫苦学生补习计划，从微观上已经显示在学校，由于缺乏一些或所有利益相关者的投入和承诺，其结果与预期相差甚远。

我们见证了几个补习班正在存亡边缘挣扎，因为出席人数不理想。而且已经有两个班级就这样消失。

学校，如果校长、老师及家教协会成员一致的参与，学生的出席率都是很乐观的。再来，这些学校的补习科目也显示令人刮目的进步。

慈航以及贫苦学生补习计划的协调人也是这个计划的利益相关者。因此，我们不断地监视这些补习班的进展，同时也做出激烈并合理的决定以确保学校和学生们都处在赢家的位置。

领养一所学校

扩大贫苦学生补习计划到更多的学校及更大的区域一直是我们的希望。可是，我们意识到我们的财力不仅有限，而且是需要和其它我们所推行的福利计划共享，既是照顾孤老、协助贫苦个人及家庭、中风患者和其他联系我们提供各种协助的人士。

我们坚信我们的会员和赞助人或许有财力领养一所学校及支付贫苦学生补习计划所需要的费用。

有关领养可以是一年或数年，您可以在签署这项计划时决定。有关领养可以是来自个人、团体、公司或组织。

我们将会提供您数所学校，是我们认为是符合财务资格的。您可以依据学校的情况做决定。

可是补习班的操作以及相关科目将是学校和慈航协调员的责任。

您将会被邀请出席有关补习班的始业式，并会见家教协会成员、教师及学生。

如果您有兴趣参与这项领养计划，请联系以下人士：-

Foo Yoon Kung - 012-6606202, Cheah Swee Kit - 016-2288789, Lim Ah Chin - 019-4728527, Linda Ng - 012-2017068 and Desmond Yeow - 012-3182308

Ci Hang's Land - Conversion from Agricultural to Residential Status

Certain decisions are difficult to make, but deem necessary for the protection of all parties and interest of the association.

Thus, when the land office approved our application to convert our land (Lot 3794, Kg Baru Subang) from agricultural to residential status with a premium of RM211,246.00 together with a penalty of RM24,867.00 for using the land as an old folks home for the past 17 years, the executive committee members deliberated the matter over and over again.

We also sought the advice of our consultants, Integrated Professional Services Sdn Bhd and Juruukur Permata Malaysia regarding the matter. Furthermore we took into consideration the decisions made by certain well established NGOs who have faced similar issues.

With all the facts we have gathered and the advice given, we decided to pay the premium rather than appeal.

We were confident of getting a favourable decision if we appealed, but the reality is that our land will be gazetted as an "OLD FOLKS HOME LAND" thus losing its commercial value.

With the land conversion matter settled, we are now getting our architect, SAO Architecture & Interior Design, to prepare the drawings of the building extensions for submission to the authorities for their approval.

慈航的土地 - 从农业转换成民居地

有些决定很艰难，但对保护所有涉及的单位及组织的权益却必须去做。

因此，当土地局批准我们转换土地的申请(Lot 3794, Kg Baru Subang)，既从农业地转换成民居地，但需缴纳RM211,246.00的费用，联同17年来利用该土地作为老人院的罚款RM24,667.00时，理事会开了一次又一次的会议来讨论。

我们也寻求咨询，Integrated Professional Services Sdn Bhd 及Juruukur Permata Malaysia对有关事项上的意见。

此外，我们也参考其他非盈利机构在处理相同议题上的作法。

在掌握这些数据及意见后，我们决定缴付有关费用而不是上诉。

我们深信如果上诉，一定可以获得有利的决定，但事实上我们的土地将被宽报为“OLD FOLKS HOME LAND”继而丧失了其商业价值。

随着土地转换的议题解决后，我们现在正寻求我们的建筑师，Akitek Habitas，准备扩建建筑物的图测，以呈交当局批准。

RTM 2's spotlights on Ci Hang Chempaka Physiotherapy Centre

When Radio Television Malaysia 2 (RTM 2) Galeri Mandarin program executive decided to produce a video clip on the operation of physiotherapy and the beneficial effects for stroke affected patients for its viewers, they, RTM 2, decided to use Ci Hang Chempaka Physiotherapy Centre as the featured centre.

In early April, 2013 they visited Ci Hang and discussed the various salient points of the script with Ci Hang president and the consulting physiotherapist. After receiving approval from Ci Hang, RTM 2 Galeri Mandarin program executive and video journalist spent two days at Ci Hang producing the video clip.

In mid April, the 15 minutes video was broadcasted over RTM 2 Galeri Mandarin (12.00 noon program). Many Malaysians saw the broadcast and Ci Hang operation centre was flooded with calls.

Many called to enquire about the treatments and the admission criteria. Others called to congratulate us for providing such meaningful community service to the poor and needy. Still others made donations to support our service programs.

Surprisingly, although Galeri Mandarin is basically a Chinese medium program, we received many calls from the other races.

With the publicity given through that program on RTM 2, the Ci Hang Physiotherapy and Stroke Rehabilitation Centre was extra busy coping with the increase in the number of stroke patients.

At Ci Hang we are glad we can be of service to the poor and needy, after all, we were formed to do just that.

Note : We are not publishing any photographs as a mark of respect to the stroke patients being treated at our centre.

第二电视 聚焦报导千百家慈航作为物理治疗中心

当第二电视(RTM 2)中文视窗节目执行员决定拍摄一部短片关于物理治疗中心的操作及其对中风患者的帮助给它的观众时，他们，第二电视，就决定将千百家慈航物理治疗中心当作是具有此特色的中心来拍摄。

在2013，4月初，他们拜访了慈航并与慈航主席及物理治疗顾问讨论拍摄的重点。在获得慈航批准后，RTM 2中文视窗制作人和主播花了两天时间在慈航录制有关短片。

在四月中，有关15分钟的片段在RTM 2中文视窗（中午12点的节目）播出后，许多马来西亚人看到有关片段，慈航中心也被询问电话淹没。

许多来电询问有关治疗及录取标准。一些则恭贺我们为社区的贫苦及需要者提供如此有意义的协助。也有一些人捐款来支持我们的服务计划。

让人惊讶的是，中文视窗虽然是中文媒介的节目，可是我们也接到各族的来电询问。

随着有关节目在第二电视播出后，慈航物理治疗及中风者康复中心正忙着处理剧增的来寻求协助的中风患者。

在慈航，我们对自己可以提供有关服务给贫苦及需要者感到高兴，毕竟，我们的成立也是为了此目的。

注：我们并没有公布任何照片以显示尊重在我们中心寻求治疗的中风患者。

SUPERSTAR LIBRA. STARCUISE – 18TH & 19TH MAY, 2013

On 18th & 19th May, 2013 the old folks at Rumah Bakti Ci Hang boarded a coach for the journey to Pulau Pinang for their sea cruise on SuperStar Libra.

The trip was fully sponsored by a group of businessmen from Kampong Baru Subang. YL Travel & Tours Sdn Bhd the company that we made the booking, also chipped in by giving us a very meaningful discount for the fares.

The journey to Penang for the sea cruise was very exciting for the old folks. They were seen smiling cheerily throughout the journey. Many faces were etched with excitement and anticipation of the sea cruise. It was the first time for all of them.

At about 2.00pm we arrived at Penang and we made our way to Oriental Gurney Restaurant at Gurney Drive to have our lunch.

After lunch, since we were still early for the embarkation of SuperStar Libra, which was at 5.00pm, we decided to bring the old folks to visit the Thai and Burmese Buddhist Temples at Burma Road.

After the visit to the two temples, we made our journey to Swettenham Pier, Cruise Terminal, Penang. The port authority was very helpful and gave us special permission for the coach to enter right into the pier.

While at the cruise terminal, we approached the terminal officers and seek their kind permission to allow our old folks priority embarkation on board SuperStar Libra. They were very accommodating and cordoned off an area for our old folks to wait and to embark on the moment the ship have anchored at the pier.

Finally when Superstar Libra have docked and anchored, we were ushered on board SuperStar Libra.. Once we arrived at the reception area on deck 4, the room smart cards were given to us. The cards were engraved with the old folks' and the care-givers' names.

Shortly, dinner was served at the Ocean Palace Restaurant, Deck 4 of Superstar Libra. A reserved section of the restaurant was allocated for our old folks.

Foods were being specially served to our old folks. They had a grand time dining on board Superstar Libra and the crews even allow them refills after refills.

After dinner our old folks also joined in the fun on deck 10, a deck above the swimming pool. The singing and the novelty games arranged by the ship staff members were well participated by one and all. Furthermore, deck 10 was very breezy and refreshing and really soothing to the tired bodies. At about mid-night, we called it a day although the fun went on till 3.00 am.

The next morning, after breakfast we disembarked SuperStar Libra and we said good-bye and thank you to all the staff members of SuperStar Lira.

As souvenirs from SuperStar Libra, the smart cards that were engraved with the old folks names were given to them.

All in all the Captain and crew members of Superstar Libra were extremely helpful and accommodating. The officers at Swettenham Pier, Cruise Terminal were just as cooperative. And most importantly a BIG THANK YOU to the following persons for sponsoring the trip:- Mr Simon Wong and his friends, Mr Michael Chan, Mr Leong Chan Kong, Mr C N Wong, Mr Yap Mok Liew, Mr Lee Hon Keong and Dato' K K Lau.

天枰星号邮轮 - 2013年5月18及19日

Smart cards of the individual old folks given to them as souvenirs

在2013年5月18及19日，慈航千百家的老人们踏上前往檳城的旅途，准备登上天枰星号邮轮。

有关旅行完全是由植桥新村一批商人赞助的。我们是通过YL Travel & Tours Sdn Bhd预定有关行程，对方也给予了 我们非常有意义的回扣。

老人们对于前往檳城乘坐海上邮轮是非常兴奋的。他们在整个旅程都是脸带笑容。很多张脸孔都刻印着对乘坐邮轮的兴奋和期待。对所有人来说，这是他们第一次的经验。

在下午两点左右，我们抵达檳城。过后我们就到关仔角的Oriental Gurney Restaurant享用午餐。

午餐后，因为距离傍晚5点乘坐天枰星号邮轮还有一段时间，我们就决定带老人们去参观庙及庙。

参观了两间寺庙后，我们也拜访了Swettenham Pier及Cruise Terminal。码头当局也给予我们许多的帮助，并允许我们将车子直接开进去。

在邮轮渡头时，我们接洽了码头的官员以寻求让老人先登上天枰星号邮轮的安排。他们非常配合的安排了隔离的空间让老人等候以及在邮轮靠岸时优先登船。

最终，天枰星号邮轮靠岸了，我们被带领到天枰星的邮轮上。当我们抵达第四甲板的接待处时，房间卡已经准备给我们。卡上还刻着老人和看护的名字。

不一会儿，晚餐就已经在第四甲板的Ocean Palace Restaurant准备好。餐馆方面特别准备了给老人用餐的区域。

老人们在用餐时享有特别的招待。他们在天枰星号的晚餐是美好的时光。接待员也允许老人们续杯再续杯。

晚餐后，老人们也参与了在第十甲板，位于泳池之上的欢乐时光。歌唱以及邮轮职员安排的新奇游戏都让每一个人参与其中。再来，第十甲板是非常通风、清新以及让人放松的。到午夜时，我们结束了当天的活动，虽然欢乐时光一直延续到凌晨3点。

第二天早晨，用过早餐后我们就离开了天枰星号邮轮。我们向天枰星号邮轮的职员们道别及道谢。

作为乘坐天枰星号的纪念，老人们都获赠刻有老人名字的房卡。

总而言之，所有天枰星号的领队及职员都非常随和及乐于助人。Swettenham Pier, Cruise Terminal的官员也同样配合。最重要的是，我们要对以下赞助此旅程的人士表达深深的谢意，他们是：- Mr Simon Wong及朋友，Mr Michael Chan, Mr Leong Chan Kong, Mr C N Wong, Mr Yap Mok Liew, Mr Lee Hon Keong以及Dato' K K Lau.

CI HANG CHINESE NEW YEAR AND FELLOWSHIP NITE 2013

There was no better way to say THANK YOU to all our members, donors and friends who had supported us in a variety of ways during 2012/2013 than to organize the Chinese New Year and Fellowship Nite 2013.

It was an event that was intended for all of us to exchange New Year greetings and to enhance our fellowship.

Thus on Saturday, 9th March, 2013, more than 600 members, donors and friends came to Rumah Bakti Ci Hang to participate in the Chinese New Year and Fellowship Nite.

Thanks to our very own cook Mr Loh Thye Cheong who was assisted by one of our members, Ms Hoo Yit Moi more than 20 types of food were prepared and served to all present. Many participants also brought along their culinary specialties to be shared by one and all.

Some of the participants offered their assistance to attend to various duties. And those with talent at the microphone began belting out songs as early as 6.00pm. Mind you, they were really good and could give some of the contestants at the ASTRO song contest a tough challenge.

When dinner was eventually over, our member Ms Ivin Yap, a RTM song contest champion, kick-started the night with her renditions of several songs.

At about 9.30pm Mr Chng shyue Chung, a very popular Chinese singer, came on the stage. There was a surge of participants towards the stage area and before he could perform his first song, there was hardly space to move about. Even the staircases on both side of the balcony were packed with listeners.

He sang for more than an hour with songs of his choice and those requested by the audience. The crowd was so pleased with him and clapped to every beat of his songs. It was a great night for one and all.

By 11.30pm we said goodnight to all our members, donors and friends. They were great guest and we hope we have been equally great as host.

Thank you all for participating in this event and thanks to all who donated towards this event. We look forward to seeing you in our next event and to receiving your enthusiastic participation.

慈航2013年农历新年及联谊之夜

除了举办农历新年及联谊之夜，已经没有更好于感谢的词汇，可以表达在过去的2012/2013年里通过种种方面支持我们的会员、赞助人及朋友。

这是一个让我们互相祝福及增进联谊的活动。

因此，在2013年3月9日，超过600名会员、赞助人及朋友来到慈航之家参与农历新年及联谊之夜。

感谢我们的厨师，Mr Loh Thye Cheong，在会员Ms Hoo Yit Moi的协助下完成超过20道佳肴给出席者享用。许多出席者也带来了他们的拿手好菜和在座者分享。

一些参与者也提供了各种各样的协助。一些有极佳歌喉的嘉宾也早在傍晚6点开始展现歌艺。提醒您，这些人真的非常优秀，其歌声直逼ASTRO歌唱比赛参赛者的水平。

当晚宴结束后，我们的会员Ms Ivin Yap，大马电视歌唱比赛冠军，为夜晚的表演序幕，献唱了几首拿手好歌。庄学忠在晚上9.30pm，一个非常著名的华人歌手，登台了。在他呈现第一首歌曲前，参与者已蜂拥至台前。就是台阶也挤满了听众。

他演唱了一个小时，带来了自身准备的好歌以及现场听众的选曲。群众对他的喜爱可以从每一个首都获得热烈掌声看出。对每一个人来说，这是一个精彩的夜晚。

在11.30pm，我们向所有会员、赞助人及朋友道别。他们是伟大的客人，而我们也希望自己是优秀的主人。

感谢您出席这项活动，感谢所有赞助这项活动的人。我们希望在下一活动中见到你们，以及再次获得您热情的参与。

Fo Guan San (PSJ SS3) Reverends and members shared Wesak Joy with Old Folks

Members of Fo Guan San PSJ SS3 Chapter came with their two Reverends to Rumah Bakti Ci Hang on 25th May, 2013.

Knowing very well that the old folks would never be able to enter the Buddhist temples on Wesak Day to celebrate the occasion, the Reverends and members of Fo Guan San PSJ SS3 chapter decided to conduct the Wesak celebration at Rumah Bakti Ci Hang so that the old folks would not be left out of the Wesak's grandeur and glory.

The Reverends led all participants in chanting the Heart Sutra, mantras and gathas, before performing the "Bathing of The Buddha" ceremony. After the ceremony, a short dharma talk was conducted by one of the Reverends and followed by blessing of all the old folks.

Vegetarian lunch prepared by Fo Guan San members were happily shared by one and all.

由于了解老人们没有机缘到佛寺庆祝卫塞节, PSJ SS3佛光山分会的师父及会员们决定将卫塞庆典带到慈航老人院, 以便慈航的老人不至于错过卫塞节的庄严及喜悦。

在浴佛仪式进行前, 师父带领所有参与者念诵经文。仪式后, 其中一名法师做了简短的开示, 以及随后对老人的祝福。

佛光山准备的素食午餐让每一个都享用的很欢喜。
